## Troubadours

A remarkably talented, versatile group of young performers, they have amassed a wealth of experience in a few short years: six international tours, including jaunts to Europe, the Caribbean, Iceland, Newfoundland, and Romania; countless appearances within their home state (at Arts Festivals, Carnival Balls, civic and church functions) as well as in Colorado and Mexico; guest appearances with the Memphis Symphony Orchestra and on television; not to mention the annual Spring Concerts at Millsaps, and numerous other special performances.

Throughout the years the *TROUBADOURS* have continued to demonstrate their talent, versatility, and enthusiasm, thereby fulfilling a traditional concept of troubadours: taking their talents to the people.

# FOOTBALL

Millsaps football in 1974 experienced a decided upswing, as the Majors posted a record of five wins and three losses. The largest squad in years worked under the diligent and dedicated leadership of Head Coach Harper Davis and Assistant Tommy Ranager in establishing a rugged defense and an opportunistic offense. Ranked in the nation's top ten of college division scoring defenses, the Majors were under serious consideration for an NCAA post-season bowl game, leading to the Division III national championship, until they suffered a late season upset at Austin College.

The Majors' opening assignment was arch-rival Southwestern at Memphis. The home opener for the purple and white was a defensive struggle won by the Majors 6-0, the first of three shutouts during the season. The lone score of the game came on a pass from Haygood to Hinton in the second period. The Majors' defense can be credited with the victory, however, as successive pass interference calls placed the ball on the Millsaps one yard line. With time running out, the Lynx were unable to cross the goal line on two different occasions.

The next week, Millsaps met powerful Georgetown of Kentucky, an NAIA top twenty team for the year. Playing perhaps their best half of the season, the Majors rolled to a 24-7 halftime lead on touchdowns by Kirby, Benton, and Goldberg. Brindley added a field goal. The second half was an entirely different story, as the offense stalled and the defense experienced its only sustained breakdown of the year. The Georgetown Tigers came away from the contest 26-24 victors.

In their initial road appearance of the 1974 season, the Majors fought off numerous turnovers and costly penalties to defeat old advisory Sewanee, 7-0, on a ten yard sprint by Haygood.

The Millsaps Majors returned home after an open date to square off against outmanned Principia in the annual Homecoming game. The old grads were not disappointed as Millsaps ground out a hard earned 24-0 victory over the visiting Tigers. Hinton, Freeman, Brindley, and Goldberg tallied six points each in the wins.

Beginning the second half of the season, the Majors traveled all the way to Abilene, Texas, to battle the Indians of McMurry College. Leading 14-10 early in the third quarter, the Majors succumbed to a late rally by the Indians, losing 24-14. Scoring for the Majors in the defeat at the hands of a strong McMurry squad were Hinton and Kirby with touchdowns and Brindley on the two conversions.

The Maryville College Scots were the next obstacle for Millsaps, as the Majors made the trip to East Tennessee for the annual battle with Maryville. A strong defensive effort was instrumental in the victory. Heading the defense for Millsaps were linebackers Maples, Jurney, and Richards, the latter returning a late Maryville pass for a touchdown. Also playing a major role in the 21-7 win was tailback Shaw, in his

first game at that position, as he rambled for over 150 yards and two scores. The only Maryville points came on a third period kick-off return of 101 yards.

With a bowl bid a possibility, Millsaps traveled to Sherman, Texas, to play Austins College's Kangaroos. The game was marked by heavy rains, deep mud, 30 degree weather and 40 mile an hour winds; the Majors surrendered the ball twice in the early minutes, both times deep in their own territory, yielding the Austin squad, winless on the year, ten quick points.

Down this early in the game, Millsaps found it difficult to move the ball as the weather impeded both the ground and air attacks. Unable to overcome its costly mistakes, the Majors lost the game 10-0, and perhaps they lost even more in losing the bowl consideration.

Determined to atone for the loss at Austin, the 1974 Millsaps Majors held highly regarded Trinity of Texas to a single field goal before a closing game home audience. The come from behind win was typical of the entire season for the Majors. The defense gave a strong performance and the offense overcame its own errors to score in the clutch, when they were needed most. The late, fourth quarter touchdown pass to split end Aldy from Haygood was Aldy's only score of the year, but it might just have been the most important score of the year, as it enabled the Majors to claim their biggest victory in the season finale, 7-3, and it assured yet another winning season for the Millsaps Majors and their coaches, Davis and Ranager.

# BASKETBALL

The 1974-75 Millsaps Basketball Season was much less than desirable as the Majors suffered one of their worst losing streaks in several years. By the end of the long year, the Millsaps cage crew had encountered 24 seasonal defeats and only one victory.

Lacking height, quickness, and especially experience, the young squad under the instruction of Bob Booth,

led at halftime in over 50% of the contests but were unable to carry the edge to the buzzer.

Their single win came against the Southwestern Lynx's (Memphis) in the most exciting game played in the newly finished PAC. The Majors experienced the feeling of winning only after double overtime against the visitors.

The Millsaps Baseball Team, coached by Tommy Ranager, did not fair as well as expected and ended the season 4-9. With only one senior on the squad, young inexperienced hurt and the Majors did not hit the ball as well as they would have liked.

Junior Earl Aycock led the team with a .416 batting average, 20 RBI's and four home runs. Aycock was selected as the team's MVP and Senior Rusty Buys nabbed the Most Valuable Defensive Player award while making just three errors and batting .314.

# TENNIS

The Millsaps netters, who saw a tremendous improvement in their calibre of tennis play, finished the spring season with eleven wins and ten losses.

Coach Jim Montgomery stated that this year's team was the hardest working team that he had ever had at Millsaps, and pointed toward their fourth place finish in the Mississippi Intercollegiate Tournament as a true indication of the squad's strength.

Junior Elizabeth Allen had an outstanding individual record of 25-7 for the year, which included the Women's Indoor Championship in the first ever Indoor MIT held in the Millsaps PAC.

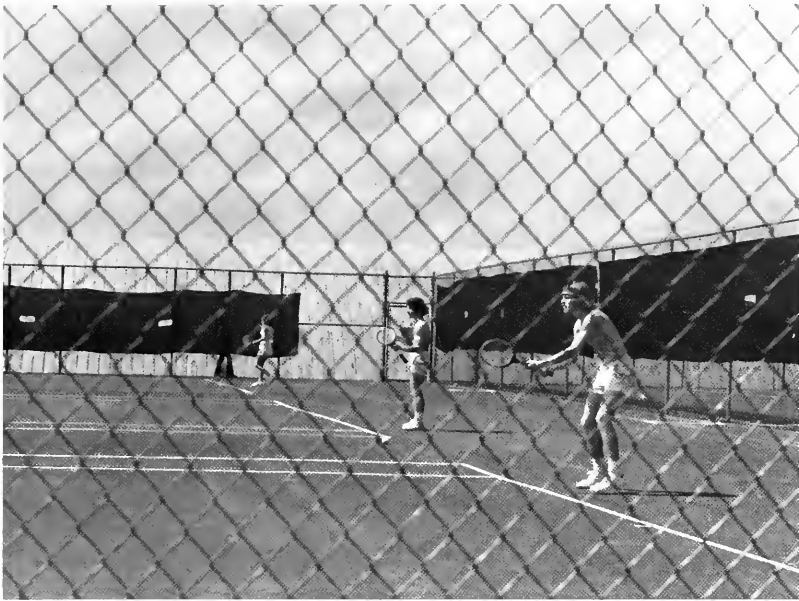

Senior Miles Hill and Junior Frank Buchanan both compiled records of 18-13. Freshman Tam Uhles, Mike Woods and Brian Loper finished the year with records of 18-14, 20-14, and 17-11 respectively.

# It just won't keep!

Too bad, but you can't put electricity in a jar and keep it!

No, electricity has to be generated and transmitted at the very instant you need it. And as western Mississippi grows and develops, more and more electricity will be needed.

That's why Mississippi Power & Light is constructing Grand Gulf Nuclear Station: to be ready with dependable electric power. All you need...when you need it!
